

Section	Description
---------	-------------

Project Overview	<p>The employee promotions project aims to recognize and reward high-performing individuals within the organization, fostering motivation and enhancing overall employee satisfaction. The primary objectives include aligning employee skills with organizational needs, boosting morale, and encouraging continuous improvement. The scope encompasses defining clear promotion criteria based on performance, skills, and potential, ensuring fairness and transparency in the selection process. Key stakeholders such as HR's and executive leadership will collaborate to implement a structured promotion process. This includes nomination, evaluation, approval, and communication of promotion decisions.</p>
